Graduation requirements
15 Program Courses

What are the varying forms of delivery?
This program is a mix of online and in-person delivery. Some courses can be taken on online while others are delivered in the photography labs at the campus.

Are part-time students eligible for OSAP?
Part-time students MAY be eligible – this is individual and based usually on number of courses you take per semester. For more information, visit our Financial Aid page.

How do I know which courses to take?

We have set a schedule up for you – review the DELIVERY SCHEDULE posted on the program page:
[Digital Content Creation and Strategy](#)

How long will it take to complete the certificate?

This varies depending on how many courses you take each semester. Total courses: 15

Following the delivery schedule which is 3 courses per semester plus 2 courses per semester:
finish in 6 semesters (3 years)
Example: Fall – Winter – Fall – Winter – Fall – Winter
(there are no classes offered in the summer)

In this program, part-time students can take 1, 2, 3 or 4 courses per semester and remain part-time.

What is the cost of the program?

There is no program fee when studying part-time.

As a part-time student, you can take 1, 2 or 3 courses at a time in any given semester.
Payment is per course, as you register.

The course fees change year-to-year and course to course. The best source for accurate fees is to check the [DGCC program page](#).

Intro to Video Production
DGCC 1000

Course description
In this course, students explore the principles and practices of capturing video including how to record video in studio or on location using a variety of equipment. Using an analysis of professional video projects, students apply the fundamentals of video capture from storyboarding to editing to create a digital video project.

Credits	Course Hours
3	42

Students registering for credit courses for the first time must declare a program at the point of registration. Declaring a program does not necessarily mean students must complete a program, individual courses may be taken for skill improvement and upgrading.

For more information, please contact Continuing Education

Available Courses
Unless stated, the course fee does NOT include the textbook(s). Not all courses have required textbooks. See registration dates for courses that are not yet open.
